Since the highest applicable percentage ratios of the Transactions, when calculated on aggregation basis, will be more than 0.1% but lower than 5%, the Transactions are subject to the reporting and announcement requirements under Chapter 14A of the Listing Rules, but exempt from the independent shareholders' approval requirement.

Introduction

The Board is pleased to announce that on 29 November 2021, (i) Sinopec Corp. and Assets Company entered into the Assets Company Agreement, pursuant to which it was agreed that Sinopec Corp. intended to purchase the equity assets, non-equity assets and liabilities of the production and operating business held by the Assets Company at the price of RMB4,432.2570 million; (ii) Yizheng Chemical Fibre, a subsidiary of Sinopec Corp., and Assets Company entered into the Yizheng Chemical Fibre Agreement, pursuant to which it was agreed that Yizheng Chemical Fibre intended to purchase the equity assets, non-equity assets and liabilities of the production and operating business held by the Assets Company at the price of RMB1,142.9952 million; (iii) Sinopec Corp. and Group Yanshan entered into the Group Yanshan Agreement, pursuant to which it was agreed that Sinopec Corp. intended to purchase the non-equity assets and liabilities of the production and operating business held by Group Yanshan at the price of RMB1,473.6977 million.

Principal Terms of the Agreements

Date	:	29 November 2021
The Agreements	:	(1) Assets Company Agreement (2) Yizheng Chemical Fibre Agreement (3) Group Yanshan Agreement
Parties	:	Sinopec Corp. (as Purchaser) and Assets Company (as Seller). Yizheng Chemical Fibre (a subsidiary of Sinopec Corp., as Purchaser) and Assets Company (as Seller). Sinopec Corp. (as Purchaser) and Group Yanshan (as Seller).
Target Assets	:	(1) The non-equity assets (such as thermal power, water and other business) and liabilities held by the Assets Company for their production and operation businesses, and (2) the equity interest of five companies held by the Assets Company (that is, 25% equity interest in Anqing Shuguang, 37.5% equity interest in Shandong Kangjie, 90% equity interest in Qimin Energy, 49% equity interest in Qilu Eastman and 50% equity interest in Qilu Annuo). To the best information and belief of the Company, the shareholders of Anqing Shuguang, Shandong Kangjie, Qimin Energy, Qilu Eastman and Qilu Annuo, other than the Assets Company, are independent of connected persons of the Company.

Within 45 days after the closing date, audit shall be conducted on the Target Asset and audit report shall be issued to determine the change in the net asset of the Target Asset during the transition period. Such audit shall be completed by an accounting firm with securities and futures business qualifications.

Any change in the amount of net assets of the Target Assets during the transition period will be obtained/borne by the Seller. Within 10 working days from the issue date of the closing date audit report, both Parties shall settle and pay in cash for the change in the amount of net assets for the transition period.

- Conditions Precedent for the Transactions : The Transactions are subject to the fulfilment of the following Conditions Precedent or the waiver by the competent Party/Authority:
- (1) the Seller has obtained approval for the Transaction in accordance with its internal constitutional documents;
 - (2) the Purchaser has obtained approval for the Transaction in accordance with its internal constitutional documents;
 - (3) the valuation report of the Target Assets under the above agreements has performed the filing procedure in accordance with laws and regulations of the PRC.
- Closing : The closing date of the Target Assets is 1 December 2021, commencing from the closing date, the ownership, obligations, responsibilities and risks in respect of the Target assets shall transfer from the Seller to the Purchaser. After the closing date, the Seller will no longer assume any obligations, responsibilities and risks in connection with the Target Assets.
- Handover arrangement : Both Parties have agreed to cooperate and assist in carrying out the handover tasks of the Target Assets, and will cooperate with each other before and on the closing date to complete the handover of the Target Assets. Both Parties have warranted to comply with the applicable production safety system during the handover process of the Target Assets, and any production safety accident caused by the fault of a Party will be responsible by the Party at fault.
- Effectiveness of the Agreement : The Agreement will be established and effective after being signed by the legal representatives or their authorized representatives of both the Purchaser and the Seller and with their official seals affixed.
- Default liabilities : Any representation and/or warranty made by either party under the Agreement which is knowingly false, intentionally omitted or misleading in a material respect, or a breach of any of its undertakings under the Agreement, or a breach of any term of the Agreement, shall constitute a breach of the Agreement and the defaulting party shall indemnify the non-defaulting party for direct damages.

If the Seller refuses to hand over the Target Assets and their related businesses and personnel within the agreed time limit, in accordance with the requirements pursuant to the Agreement, the Seller shall pay an overdue penalty amounting to 0.05% of the consideration for the assets to be handed over as agreed per day unless the delayed handover of the Target Assets is not attributable to the Seller (including but not limited to delayed handover of the Target Assets attributable to force majeure, the Purchaser or third parties).

If the Purchaser fails to pay the consideration in accordance with the agreement, the Purchaser shall pay an overdue penalty amounting to 0.05%

of the overdue consideration to the Seller per day unless the delay is attributable to the Seller.

Arrangements of credits and debts : For all the credits attached to the non-equity Target Assets involved in the Transaction, the Sellers shall promptly notify the debtors of such credits after 1 December 2021, and the Purchasers shall be entitled to such credits commencing from the closing date; for all the debts attached to such Target Assets, the Sellers shall use its best reasonable efforts to obtain the consent of the creditors corresponding to the debts after 1 December 2021, and the debts shall be borne by the Purchasers after the closing date. If the consent of the relevant creditors cannot be obtained and a third party needs to be paid in accordance with contract, the Purchasers and the Sellers shall negotiate amicably.

Regarding the equity assets involved in the Transaction, since the Transaction will not change the independent legal person status of the equity based targets, the rights and obligations of indebtedness of such companies will continue to be enjoyed and assumed by them before and after the Transaction.

Other arrangements : The transfer of the relevant employees and related personnel associated with the Target Assets under the Agreements should be managed under the principle of “transfer of personnel together with assets (business)” in accordance with the documents to be agreed upon separately.

The sources of fund for payment of the consideration under the Agreements will be the self-owned fund of the Purchasers.

Basis and Methods for the Determination of Consideration

The basis and methods used to determine the consideration under the Agreements are specifically set out below.

Assets Company Agreement

China Enterprise Appraisals Consultation Co., Ltd. (北京中企華資產評估有限責任公司), a valuation institution with qualifications in securities and futures business issued an asset valuation report at the Valuation Reference Date of 30 April 2021, pursuant to which, except for the valuation result by the income-based method is selected for the equity interest (25%) in Anqing Shuguang as the valuation conclusion, the valuation results by the asset-based method are selected as the final valuation conclusion. The book value of net assets of the Target Assets held by the Assets Company that was purchased by Sinopec Corp. was RMB3,305.5720 million, their valuation price was RMB4,432.2570 million, the appreciation in value was RMB1,126.6850 million with an appreciation rate of 34.08%. The appreciation in valuation price was mainly due to the rises in land prices, the overall increases in building construction materials and labour costs, and the depreciation life in accounting is shorter than the economic utilisation life for building, machinery and equipment. On this basis, Sinopec Corp. and Assets Company determined the transaction consideration of Target Assets at RMB4,432.2570 million after arm’s length negotiations upon completion of the filing procedure in accordance with the laws and regulations of the PRC.

As of the date of this announcement, the Company does not hold any equity interest in Anqing Shuguang. Upon completion of the Transaction, the Company will hold a 25% equity interest in Anqing Shuguang and the Company will not consolidate Anqing Shuguang. Therefore, the valuation result by the income-based method selected for the equity interest (25%) in Anqing Shuguang as the valuation conclusion does not constitute a profit forecast under Rule 14.61 of the Listing Rules.

Yizheng Chemical Fibre Agreement

Zhonghe Appraisal Co. Ltd (中和資產評估有限公司), a valuation institution with qualifications in securities and futures business issued an asset valuation report at the Valuation Reference Date of 30 April 2021, which selected the valuation results by the asset-based method as the final valuation conclusion. The book value of net assets of the Target Assets held by the Assets Company that was purchased by Yizheng Chemical Fibre (a subsidiary of

Sinopec Corp.) was RMB813.6274 million, the valuation price was RMB1,142.9952 million, the appreciation in value was RMB329.3678 million with an appreciation rate of 40.48%. The appreciation in valuation was mainly due to the rises in land prices, the overall increases in building construction materials and labour costs, the depreciation life in accounting is shorter than the economic utilisation life for building, machinery and equipment. On this basis, Yizheng Chemical Fibre and Assets Company determined the transaction consideration of Target Assets at RMB1,142.9952 million after arm's length negotiations upon completion of the filing procedure in accordance with the laws and regulations of the PRC.

Group Yanshan Agreement

Basic information of the Target Assets under the Group Yanshan Agreement

As of the date of this announcement, the Target Assets are in sound operations, capable of being put into sustained and normal production and possess approval documents necessary for normal production, which will have a good synergistic effect with Sinopec Corp.'s related businesses.

The main financial indicators of the Target Assets under the Group Yanshan Agreement are as follows:

The net profit of Group Yanshan was negative in 2019, which was attributable to an increase in the cost as a result of suspension of some facilities and adjustment to fuel structure according to the national environmental protection requirements. It realized sound performance after the adjustment.

Reasons for and Benefits of the Transaction

The Transaction will further improve the integrated operation level of the Company, optimise resource allocation and achieve business synergies, so as to enhance the comprehensive competitiveness of the Company in its business locations, as well as reduce connected transactions on the whole.

Opinions of the Directors

As at the date of this announcement, Ma Yongsheng, Zhao Dong, Yu Baocai, Liu Hongbin, Ling Yiqun and Li Yonglin are connected Directors and therefore required to abstain from voting on the resolution approving the Agreements and the transactions contemplated thereunder at the Board meeting. The Board has considered and approved the resolution on the Transaction. All Directors (including all independent non-executive Directors) are of the opinion that the Transaction is on normal commercial terms; the terms of the Agreements are fair and reasonable to the independent shareholders, and are in compliance with the requirements of relevant laws, regulations and normative documents. No circumstances are detrimental to the interests of the Sinopec and its independent shareholders, and the Directors have approved the Transaction.

Implications of the Listing Rules

As at the date of this announcement, China Petrochemical Corporation is the controlling shareholder of the Company. Since the Assets Company and Group Yanshan are the subsidiaries of China Petrochemical Corporation, according to Chapter 14A of the Listing Rules, they are the associates of China Petrochemical Corporation and as a result constitute the connected persons of the Company. The transactions between the Group and each of the Assets Company and Group Yanshan constitute connected transactions of the Company. Since the highest applicable percentage ratio for the Transactions, when calculated on aggregation basis, will be more than 0.1% but lower than 5%, therefore the Transactions are subject to the reporting and announcement requirements under Chapter 14A of the Listing Rules, but are not subject to the independent shareholders' approval requirement.
