II. PROPOSED GRANT TO THE BOARD A MANDATE TO BUY BACK DOMESTIC SHARES AND/OR OVERSEAS-LISTED FOREIGN SHARES OF SINOPEC CORP.

(1) A Share Buy-back Mandate

The PRC Company Law (to which the Company is subject) provides that a joint stock limited company incorporated in the PRC may not buy back its shares unless such buy back is effected for the purpose of (a) reducing its registered share capital; (b) in connection with a merger between itself and another entity that holds its shares; (c) granting shares as reward to the staff of the company; (d) the buy back is made at the request of its shareholders who disagrees with shareholders' resolutions in connection with a merger or division; (e) utilising the shares for conversion of corporate bonds which are convertible into shares issued by the Company; or (f) where it is necessary for safeguarding the value of the Company and the interests of its shareholders. The Mandatory Provisions, which the Company has incorporated in its Articles of Association, provide that subject to obtaining the approval of the relevant regulator authorities and compliance with its articles of association, share buy backs may be effected by a joint stock limited company listed outside the PRC for the purpose of reducing its share capital or in connection with a merger between itself and another entity that holds its shares or in circumstances permitted by law or administrative regulations.

PRC laws and regulations and the Shanghai Listing Rules permit shareholders of a PRC joint stock limited company to grant a general mandate to the Directors to buy back the A shares of such company that are listed on the Shanghai Stock Exchange. Such mandate is required to be given by a special resolution passed by shareholders in general meeting and special resolutions passed by holders of domestic shares and overseas listed foreign shares in separate class meetings.

The Mandatory Provisions, which the Company has incorporated in its Articles of Association, provide that subject to obtaining the approval of the relevant regulator authorities and compliance with its articles of association, share buy-backs may be effected by a joint stock limited company listed outside the PRC for the purpose of reducing its share capital or in connection with a merger between itself and another entity that holds its shares or in circumstances permitted by law or administrative regulations.

In accordance with the Hong Kong Listing Rules, this appendix serves as the explanatory statement to provide you with requisite information reasonably necessary to enable you to make an informed decision on whether to vote for or against the special resolution(s) to be proposed at the AGM, the A Shareholders Class Meeting and the H Shareholders Class Meeting for the grant of the Buy-back Mandate to the Directors.

BUY-BACK MANDATE

Reasons for Buying Back Shares

The Directors believe that the grant of Buy-back Mandate has comprehensively taken into consideration the overall value of the Company, shareholders' interests and future development needs and is flexible and feasible, and that the flexibility afforded by the Buy-back Mandate would be beneficial to and in the best interest of the Company and its Shareholders. Such buy-backs may, depending on market conditions and funding arrangements at such time, lead to an enhancement of the net asset value per share and/or earnings per share of the Company. Such buy-backs will only be made when the Directors believe that such buy-backs will benefit the Company and its Shareholders.

Registered Capital

As at the Latest Practicable Date, the registered capital of the Company is RMB121,071,209,646 comprising 25,513,438,600 H Shares of RMB1.00 each and 95,557,771,046 A Shares of RMB1.00 each.

Exercise of the Buy-back Mandate

Subject to the passing of the relevant special resolution(s) set out in the Notice, the special resolution(s) approving the grant to the Board of the Buy-back Mandate at the A Shareholders Class Meeting and H Shareholders Class Meeting, the Board will be granted the Buy-back Mandate until the earlier of: (a) the conclusion of the next annual general meeting of the Company; or (b) the date on which the authority conferred by this proposal is revoked or varied by a special resolution at an annual general meeting and/or a class meeting of A Shares and/or a class meeting of H Shares (**Relevant Period**). If the Board decides to buy back A Shares during the relevant period, such A Share buy-backs may need to be pursued or implemented after the end of the relevant period.

The exercise in full of the A Share Buy-back Mandate (on the basis of 95,557,771,046 A Shares in issue as at the Latest Practicable Date and there is no change to the number of issued A Shares prior to the date of the AGM, the A Shareholders Class Meeting and H Shareholders Class Meeting) would result in a maximum of 9,555,777,104 A Shares being bought back by the Company during the Relevant Period, being the maximum of 10% of the total A Shares in issue as at the date of passing the relevant resolution(s).

The exercise in full of the H Share Buy-back Mandate (on the basis of 25,513,438,600 H Shares in issue as at the Latest Practicable Date and there is no change to the number of issued H Shares prior to the date of the AGM, the A Shareholders Class Meeting and H Shareholders Class Meeting) could result in a maximum of 2,551,343,860 H Shares being bought back by the Company during the Relevant Period, being the maximum of 10% of the total H Shares in issue as at the date of passing the relevant resolution(s).

Funding of Buy-backs

In buying back its Shares, the Company intends to apply funds from the Company's internal resources (which may include surplus funds and retained profits) legally available for such purpose in accordance with the Articles of Association and the applicable laws, rules and regulations of the PRC.

The Company is empowered by its Articles of Association to buy back its Shares. Under PRC laws, H Shares so bought back will be treated as cancelled and the Company's registered capital will be reduced by an amount equivalent to the aggregate nominal value of the H Shares so cancelled. The Company may not buy back securities on the Hong Kong Stock Exchange for a consideration other than cash or for settlement other than in accordance with the trading rules of the Hong Kong Stock Exchange from time to time. A share bought back will be dealt with in accordance with relevant PRC laws and regulations, Articles of Association and Shanghai Listing Rules.

GENERAL

The Directors consider that there would not be a material adverse impact on the working capital and on the gearing position of the Company in the event that the Buy-back Mandate is to be exercised in full at any time during the proposed buy-back period (as compared with the position disclosed in the latest published audited accounts contained in the annual report of the Company for the year ended 31 December 2021). However, the Directors do not propose to exercise the Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels of the Company. The number of A Shares and/or H Shares to be bought back on any occasion and the price and other terms upon which the same are bought back will be decided by the Directors at the relevant time having regard to the circumstances then prevailing, in the best interests of the Company.

The Directors have undertaken to the Hong Kong Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make buy-backs under the Buy-back Mandate in accordance with the Hong Kong Listing Rules, the Articles of Association and the applicable laws, rules and regulations of the PRC.

DISCLOSURE OF INTERESTS

If as a result of a share buy-back by the Company, a substantial shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, a shareholder, or group of shareholders acting in concert, could obtain or consolidate control of the Company or become obligated to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

The Directors are not aware of any consequences which will arise under the Takeovers Code and/or any similar applicable law, as a result of any buy-backs to be made under the Buy-back Mandate. Moreover, the Directors will not make share buy-backs on the Hong Kong Stock Exchange if such buy-backs would result in the requirements under Rule 8.08 of the Hong Kong Listing Rules not being complied with.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates presently intends to sell A Shares and/or H Shares to the Company under the Buy-back Mandate in the event that the Buy-back Mandate is approved by the Shareholders and the conditions (if any) to which the Buy-back Mandate is subject are fulfilled.

The Company has not been notified by any core connected persons (as defined in the Hong Kong Listing Rules) of the Company that they have a present intention to sell any A Shares and/or H Shares to the Company, or that they have undertaken not to sell any A Shares and/or H Shares held by them to the Company in the event that the Buy-back Mandate is approved by its Shareholders and the conditions (if any) to which the Buy-back Mandate is subject are fulfilled.
